## About ISM Edutech

ISM Edutech started with the motto of being the provider of opportunities for deserving students who otherwise would have been mere victims of high competition fee or misplaced career, We are being proactive in our approach and are aggressively trying to be able to help the healthcare industry in producing qualitatively superior health warriors (doctors), ISM Edutech thrives to provide the education a student deserves by giving them a safe environment to study and learn. And now, more than a decade later, ISM Edutech is synonymous with excellence in education advisory services. We are considered as one of the leading education consultants and training organizations from India, Kyrgyzstan, Kazakhstan, Tajikistan, Georgia, Barbados and United States in the field of Medical and Allied Healthcare Education, Admission and Training services.

## About Country

Kyrgyzstan (officially the Kyrgyz Republic), called the Switzerland of Central Asia, is a mountainous country of immense natural beauty. With over half the population under the age of 30, Kyrgyzstan is a country of young people and Kyrgyz and Russian are their official language. After the collapse of the Soviet Union, Kyrgyzstan declared its independence on August 31, 1991, and announced Bishkek as its new capital.

## About University

The International University of Kyrgyzstan (IUK) was created in March 1993 by a decree of president of the Kyrgyz Republic that gave the university a status of an international higher education institution.

The IUK is located in Bishkek – the capital of the Kyrgyz Republic. The building of the IUK is one of the oldest and most beautiful buildings of Bishkek that is located on a central street of the city. In addition to Bishkek campus, the university has three campuses which are located in the following cities: Osh and Jalal-Abad (southern region of Kyrgyzstan) and in Karakol-city (Issyk-kul region of Kyrgyzstan).

The International School of Medicine (ISM) created in March 2003 as part of the strategy for reforming the education system and improving the competitiveness of domestic universities.

The main emphasis in the creation of the ISM was made on the demand of a modern dynamic educational institution that provides high-quality training and has a competitive potential in the market of medical education.

The International School of Medicine of the International University of Kyrgyzstan is an official state educational institution with the license of Ministry of Education and Science of Kyrgyz Republic for medical education in general medicine within 5 years of study.
