# About ISM EDUTECH

ISM Edutech started with the motto of being the provider of opportunities for deserving students who otherwise would have been mere victims of high competition fee or misplaced career, We are being proactive in our approach and are aggressively trying to be able to help the healthcare industry in producing qualitatively superior health warriors(doctors), ISM Edutech thrives to provide the education a student deserves by giving them a safe environment to study and learn. And now, more than a decade later, ISM Edutech is synonymous with excellence in education advisory services. We are considered as one of the leading education consultants and training organizations from India, Kyrgyzstan, Kazakhstan, Tajikistan, Georgia, Barbados and United States in the field of Medical and Allied Healthcare Education, Admission and Training services.

## About Country

A huge country the size of Western Europe, Kazakhstan has vast mineral resources and enormous economic potential. The varied landscape stretches from the mountainous, heavily populated regions of the east to the sparsely populated, energy-rich lowlands in the west, and from the industrialised north, with its Siberian climate and terrain, through the arid, empty steppes of the centre, to the fertile south. Ethnically the former Soviet republic is as diverse, with the Kazakhs making up nearly two thirds of the population, ethnic Russians just under a quarter, and smaller minorities the rest.

## About University

Established in the year 1962, Kokshetau State University is a reputed non-profit institution, located in the city of Kokshetau, Kazakhstan. It is one of the leading institutions in an education system of the northern region of Kazakhstan with more than 50 years of its existence. Kokshetau State University offers courses and programs leading to officially recognized higher education degrees in several areas of study.

Kokshetau State University is recognized by the Medical Council of India and the World Health Organization. The MBBS course duration at Kokshetau University of five years. The medium of instruction for all foreign students at Kokshetau State University is English. The duration of internship at -Kokshetau State University is one year.

The University campus has a world-class infrastructure consisting of well-equipped academic buildings with the latest technologies. The Faculties are highly qualified, who provide quality guidance to the students, along with the needed support.

# Founder President :

Dr. Phanibhushan Potu

Dear Aspirant, Hello, and welcome to ISM Edutech. You are about to start journey at ISM Edutech that promises to be an exciting and a fulfilling one. In over 18 years, we have exhibited excellence in our curriculum design, the quality of teaching, and methodology of learning through expert guidance. We strive to be the best educators through our hard work and commitment towards the teaching methods.

Medicine is a noble profession, and we believe in preparing our students to be complete health care professionals, they are bound to face challenges on a regular basis which needs to be confronted at a moral, ethical, professional & emotional level. So welcome to ISM Edutech; An Institution, that has produced complete medical professionals who have discharged their duties to mankind in times of distress, impeccably.

## Vision

ISM Edutech is deeply engaged, in planning and putting efforts, to be the beacon which helps in the far-reaching transformation of medical science education and practice for an unprecedented advancement in human health.

## Mission

ISM EDUTECH's approach to education involves preparing the students to carry what they have learnt beyond the confines of the university and make a difference to the community they are serving in.

## Our Faculty:

The faculty of KSU University are distinguished scholars and renowned for shaping and defining the medical field of study. The faculty is also infused with a profound commitment that their work as educators will have a dramatic impact in defending the fundamental values and the style of intellectual life that defines the University. They passionately believe that liberal education is a momentous calling and an ever-challenging responsibility, A project which involves the highest standards of excellence by going deep into the bones of the University.

## Boarding and Lodging:

Living in University housing is a great way to support students academic success .

International study shows students who have a student housing experience are tend to make more lasting connections and friendships. Student housing is important to ISM EDUTECH to ensure students well being, health & security.

At KSU, we provide boarding and lodging with low cost without compromising with the quality, safety and security of our students.
